

<b>Jenn GIROUX</b> <b>(Republican)</b>		<b>Rachel Baker</b> <b>(Democrat)</b>
Will <u>fight</u> for legislation <u>banning</u> biological males from competing in female sports	<u>OUR CHILDREN</u>	Will take away girls' opportunities in sports by allowing males to compete
Will fight to keep minors safe from destructive, life-altering, hormone blockers and surgeries		Supports gender transitioning at all ages
Supports the fundamentals in education. Sees that political agendas have led to a dramatic decline in test scores across Ohio and the United States	<u>EDUCATION</u>	Ignored her community's concern over the teaching of Comprehensive Sex Education and Critical Race Theory (CRT) during a failed school board run
Backs Parental Rights in Education. And does <u>not</u> support amending Title IX, allowing schools to keep vital student information from parents		Supports the Biden Administration's amending of Title IX, allowing schools to keep vital information about students from parents
Knows students need to be safe in schools, that resource officers and trained teachers are our students' first line of defense when threats arise		Supports gun control legislation and removing the rights of local school boards to make decisions to protect their school districts
Sees how a lack of support and respect of the law leads to low officer morale and declining recruitment, putting communities at risk	<u>LAW &amp; ORDER</u>	Backed by local politician who called the Thin Blue Line flag (flag that supports law enforcement) "provocative and inappropriate"
Supports Ballot Issue No.1, which requires courts to consider factors like "Public Safety" when setting bail. Knows the importance of keeping violent offenders incarcerated		Opposes considering "Public Safety" when determining bail amounts. Endorsed by "No Bail, No Jail" politicians
Supports an Ohio Constitutional Amendment prohibiting non-citizens from voting (Yes on issue 2)		Wants to expand voting rights to non-citizens
Will fight to stop the misuse of government agencies against law-abiding Americans and will hold back government overreach and regulations against families and businesses	<u>FREEDOMS</u>	Endorsed by Sherrod Brown, who voted for the hiring of 87,000 new IRS employees who will surveil and audit the private account information and transaction data of innocent Americans and businesses
Supports individuals' rights to make their own medical decisions		Advocates for medical mandates that trample on American's freedoms and religious liberties
Strong supporter of the 2 <sup>nd</sup> Amendment, Received Buckeye Firearms Association's highest rating of A(q)		Endorsed by Ohio politicians who have received an F rating from the Ohio Buckeye Firearms Association
Believes in protecting every Ohioan, at each stage of life	<u>LIFE</u>	Endorsed by organizations and politicians that demand abortions up to birth
Understands the importance of affordable energy for a thriving, competitive economy. The U.S. can and should be energy independent	<u>ECONOMY</u>	Stands with Joe Biden on shutting down the oil, gas, coal industry, with no regard to the damage it does to the middle class
Opposed the forced closing of some businesses while others remained open. Knows small businesses are the backbone of our economy		Backed the forced closings of small businesses to the detriment of the economy and families
<p>Knows continued handouts and bailouts only increase inflation. We pay more at the pump, in the grocery store, and for all goods and services</p> <p>Against the student loan bailout, that Obama's former economic adviser describes as "Pouring roughly a half trillion dollars of gasoline on the inflationary fire that is already burning."</p>		<p>Endorsed by a party that continues to spend and give our resources to China</p> <p>Calls Ohio Senator Sherrod Brown, who believes in student loan forgiveness, "My Hero"</p>
